Things to remember that could be costly (believe me I know):

Shut off your cell phone (or put on vibrate)
Let the speaker know if you have to leave early (scooter badge \$5)
Arrive on time (we do start at 7 due to time constraints)
If you sponsored someone, please check in with them if they have missed a few meetings (we'd rather hear from you than the membership committee)
Please make every effort to make up meetings at physical locations (we enjoy the report of the other club.)
